

# Oh What a Gift the Father Gave

Sing to above tune and refrain

**1** Oh, what a gift the Father gave  
When He bestowed His Son!  
To save poor, ruined, guilty man,  
By sin defiled, undone.

**2** For I was lost and vile indeed!  
To sin a willing prey;  
Till God in mercy interposed,  
And turned my night to day.

**3** Now I can call the Saviour mine,  
Though all unworthy still;  
I'm sheltered by His precious blood,  
Beyond the reach of ill.

**4** Come all who trust in Jesus now,  
And tell your joys abroad;  
Let thankful hymns of praise ascend  
For Christ, the gift of God.
