

Oh What a Gift the Father Gave

Sing to above tune and refrain

- 1** Oh, what a gift the Father gave
When He bestowed His Son!
To save poor, ruined, guilty man,
By sin defiled, undone.
- 2** For I was lost and vile indeed!
To sin a willing prey;
Till God in mercy interposed,
And turned my night to day.
- 3** Now I can call the Saviour mine,
Though all unworthy still;
I'm sheltered by His precious blood,
Beyond the reach of ill.
- 4** Come all who trust in Jesus now,
And tell your joys abroad;
Let thankful hymns of praise ascend
For Christ, the gift of God.
