 2. He comes! He comes! the Son of Man! The fi - nal Ad - am now;  
 3. He comes! He comes! the Bridegroom comes! O sin - ner, hear the sound;

The cloud - less morn - ing sweet - ly dawns; Saints, quit this vale of tears;  
 "The King of kings, and Lord of lords"! All knees be - fore Him bow.  
 Ac - cept Him now, if you a - mong His cho - sen would be found;

Your ab - sent Lord no lon - ger mourn; Re - proach no lon - ger bear;  
 He comes! His Is - rael in the land Of prom - ise to in - stall;  
 Still mer - cy's offered—cost - less—free— No lon - ger turn a - way;

He comes! He comes! rise, hap - pycants, To meet Him in the air.  
 He comes! He comes! to clear a - way The ru - ins of the fall.  
 He comes! He comes! oh, lin - ger not, Come while 'tis called "to - day."
