## 72 Come to the Saviour, Come to the Saviour

4 Come to the fountain, come to the fountain, The fountain which cleanses the soul;

Tis cleansing far and near,

And its streams are flowing here; Oh, believe it, and thou art made whole!

5 I do believe it! I do believe it!

I'm saved through the blood of the Lamb;

My happy soul is free,

For the Lord has pardoned me,

Hallelujah to Jesus' name!
