(L. M. with Refrain)

Eliza Reed

Ira D. Sankey

1. Oh, do not let the word de-part, And close thine eye a-against the light!
 2. To - mor-row's sun may nev - er rise To bless thy long-de-lud - ed sight;
 3. Our God in pit - y lin - gers still, And wilt thou thus His love re - quite?
 4. The world has noth - ing new to give, It has no true, no pure de - light.

Poor sin - ner, har - den not thine heart; Thou wouldst be saved: Why not tonight?
 This is the time, oh, then, be wise; Thou wouldst be saved: Why not tonight?
 Renounce at length thy stub-born will; Thou wouldst be saved: Why not tonight?
 Look now to Je - sus Christ and live! Thou wouldst be saved: Why not tonight?

REFRAIN
