

1. What can wash a - way my sins?      Nothing but the blood of      Je - sus;  
 2. For my par - don this I see,      Nothing but the blood of      Je - sus;  
 3. Noth - ing can for sins a - tone,      Nothing but the blood of      Je - sus;  
 4. This is all my hope and peace,      Nothing but the blood of      Je - sus;

So that not one spot re-mains?      Nothing but the blood of      Je - sus.  
 For my cleans-ing this my plea,      Nothing but the blood of      Je - sus.  
 Noth - ing good that I have done,      Nothing but the blood of      Je - sus.  
 Through it all my right-eous-ness,      Nothing but the blood of      Je - sus.
