

1. Saviour! lead us by Thy pow - er Safe in - to the promised rest;
 2. Since in Thee is our re - demp - tion, And sal - va - tion full and free,
 3. In Thy pres - ence we are hap - py; In Thy pres - ence we're se - cure;

Choose the path— the way what - ev - er Seems to Thee, O Lord, the best:
 Noth - ing need our souls dis - heart - en But for - get - ful - ness of Thee:
 In Thy pres - ence all af - flic - tions We can eas - i - ly en - dure;

Be our guide in ev - ery per - il, Watch and keep us night and day,
 Naught can stay our steady pro - gress, More than conquerors we shall be,
 In Thy pres - ence we can con - quer, We can suf - fer, we can die;

Else our fool - ish hearts will wan - der From the strait and nar - row way.
 If our eye, what - e'er the dan - ger, Looks to Thee, and none but Thee.
 Wandering from Thee we are fee - ble; Let Thy love, Lord, keep us night.
