1. Love di - vine, all praise ex - cel - ling, Joy of heaven, to earth come down,  
2. Firstfruits of Thy new cre - a - tion— Faith - ful, ho - ly, may we be,

Bless us with Thy rich in - dwell - ing, All Thy faith - ful mer - cies crown!  
Joy - ful in Thy full sal - va - tion, More and more con - formed to Thee.

Sav - iour, Thee we'd still be blessing, Serve Thee here, as soon a - bove;  
Changed from glo - ry in - to glo - ry, Till in heaven we take our place,

Praise Thee, Sav - iour, with - out ceas - ing, Glo - ry in Thy dy - ing love.  
Then to wor - ship and a - dore Thee, Lost in won - der, love and praise!
