

1. The Lord at-tends when chil - dren pray, A whis-per He can hear;
 2. 'Tis not e-nough to bend the knee, And words of prayer to say;
 3. He sees us when we are a - lone, Tho' no one else can see;

He knows not on - ly what we say, But what we wish or fear.
 The heart must with the lips a - gree, Or else we do not pray.
 And all our thoughts to Him are known, What - ev - er they may be.
