# Oh, Won't You Come to Jesus While You're Young

Oh, won't you come to Je - sus while you're young?  
Re - mem - ber, death may find you, while you're young;  
Oh, walk the path to glo - ry while you're young,  
Then won't you come to Je - sus while you're young?

Don't think it will be bet - ter To de - lay it un - til la - ter,  
For friends are oft - en weep - ing And the stars their watch are keep - ing  
And Je - sus will be - friend you, And from dan - ger will de - fend you,  
Why from the fu - ture bor - row, When ere comes an - oth - er mor - row,

But re - mem - ber your Cre - at - or while you're young.  
O'er the grass - y graves where sleep - ing lie the young.  
And a peace di - vine will send you while you're young.  
You may weep in end - less sor - row, while you're young.
