

1. Free from the law, oh, hap - py con - di - tion! Je - sus has bled, and there is re - mis - sion!
2. Now are we free—there's no con - dem - na - tion; Je - sus pro - vides a per - fect sal - va - tion;
3. "Children of God!" Oh, glo - ri - ous calling! Sure - ly His grace will keep us from fall - ing;
4. Soon He will come, the saints shall be rais - ed; We, who re - main a - live, shall be changed;

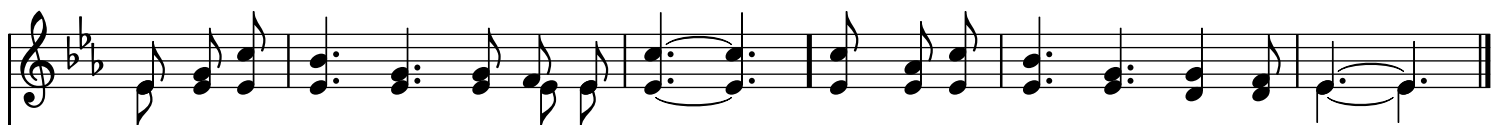

Cursed by the law, and bruised by the fall, Grace has redeemed us once for all.
 "Come un - to Me"—oh, hear His sweet call, Come, and He saves us once for all.
 Pass - ing from death to life at His call, Bless - ed sal - va - tion once for all.
 Then all, caught up, at His bless - ed call, Changed to His like - ness, once for all.
