

Just On the Threshold

(Moment By Moment. P. M.)

G. Cooper

Mary Whittle Moody

1. Just on the thresh-old! Oh, why not come in, Leav-ing the maz-es of dark-ness and sin?
2. Just on the thresh-old, and joy near at hand; Yon-der's the gleam of Im-man - u - el's land;
3. Just on the threshold,- oh, make now thy choice; Come with the servants of Christ, and re-joice!

Forward the light, and the glo - ry di-vine; Backward the dangers, and woes that were thine.
 Ref-uge and rest are now of-fered to thee: Sin or sal - va-tion- oh, which shall it be?
 Je - sus is call-ing, oh, turn not a-side! Come! 'tis the voice of the Spir - it and Bride!

REFRAIN

Just on the threshold,- and Christ calls to thee! Come! with the pardoned for - ev - er to be!

Just on the threshold- why lin-ger so long? Sing, with the ransomed, E-ter - ni-ty's song!
