

1. Oh, do not let the word de-part, And close thine eye a-against the light!
 2. To-mor-row's sun may nev-er rise To bless thy long-de-lud-ed sight;
 3. Our God in pit-y lin-gers still, And wilt thou thus His love re-quite?
 4. The world has noth-ing new to give, It has no true, no pure de-light.

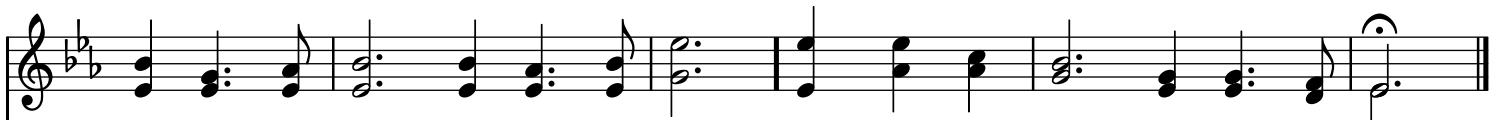

Poor sin-ner, har-den not thine heart; Thou wouldst be saved: Why not tonight?
 This is the time, oh, then, be wise; Thou wouldst be saved: Why not tonight?
 Renounce at length thy stub-born will; Thou wouldst be saved: Why not tonight?
 Look now to Je-sus Christ and live! Thou wouldst be saved: Why not tonight?

REFRAIN

Why not tonight? Why not tonight? Thou wouldst be saved: Why not tonight?

Why not to-night? Why not tonight? Thou wouldst be saved: Why not tonight?
